## EDUCATION

ANDREWS UNIVERSITY

Graduated Aug. 2012

[Bachelor of Fine Arts: Graphic Design](#)

In addition to curricular activities, pro-bono design service was offered to students and faculty in need of assistance. Also served as a student teacher.

---

## EXPERIENCE

THREAD, CREATIVE AGENCY

Sep. 2015–Feb. 2016

[Art Director](#)

Worked with multiple teams to design across the media spectrum, ranging from web to print, interactive, and motion. Brought a passion for detail and consistency to client projects, while turning tactics into true bodies of work.

THESIS, INC.

Dec. 2013–July 2015

[Graphic Designer](#)

Daily responsibilities included everything pertaining to the design process, from beginning to end. Created, refined, and presented. Worked with efficiency and effectiveness, prioritizing clear communication and premium design.

THESIS, INC.

Jan. 2012–Apr. 2012

[Intern of Graphic Design](#)

Worked with a small, yet highly dedicated team of designers. Constantly sought out opportunities to make the team a success. Designed, collaborated, and learned how to work with clients on large-scale projects with tight time-lines.

ANDREWS UNIVERSITY, MARKETING DEPT.

Oct. 2006–Nov. 2011

[Graphic Designer](#)

Partnered with the office of Integrated Marketing & Communication to represent Andrews University. Daily responsibilities included production of, contribution to, and management of designed elements meeting strict graphic standards.

ANDREWS UNIVERSITY, ART DEPT.

July 2008–May 2009

[Student Teacher of Graphic Design](#)

Actively participated in a collaborative effort with a practicing graphic designer to cooperatively teach an introductory level design class for high school students. Was responsible for approximately 70% of the allotted class-time.

---

## EXPERTISE

MAC + PC

[Illustrator, InDesign, Photoshop, Lightroom, Premiere, After Effects](#)

Tools of choice exist primarily within the Adobe Creative Cloud. These have amazing synergy, and allow me to meet and exceed project demands.

---

## ETHIC

MY PROCESS

[Driven Pursuit](#)

Favor simplicity, operate with honesty, practice precision, and pursue excellence. Have high expectations, for which I work to exceed. If a design is best created using an unfamiliar tool, I am eager to learn it, and happy to share it with my team.
